

Fulbright Morning Carpool Rules - see map on back

CARPOOL LOOP:

- Please enter the campus using the driveway leading to the visitors' parking lot. Only ONE lane of traffic is allowed to enter this driveway, even if you are parking.
- During carpool drop-off, DO NOT turn left from east-bound Pleasant Valley Drive directly into the school driveway; you must drive east one more turn-off and make a U-turn onto Pleasant Valley Drive westbound so that you are turning right into the school driveway. For westbound traffic, please be courteous and allow the eastbound cars to merge into your lane.
- The circular drive is reserved only for arriving and departing students during carpool hours. Do not use the circular drive during school hours – either for parking or turning around.
- If you are late for school, you need to park in a visitor's space and walk your child in through the front doors to sign him or her in at the office. Any student arriving after 8am is required to have a parent or guardian sign him/her in before they are allowed access to class.
- Only school buses, day care vans and staff may use the west driveway entrance from 7:00 – 7:40am and from 1:30 – 2:45pm.
- Don't bring pets on leashes into the carpool or playground area. Any pet in a car must be restrained.

DROP OFF:

- Children must exit the car on the PASSENGER SIDE of the car. If you must unload children from both sides of the car, please pull under the basketball goals.
- All students must be dropped off at the circular drive (aka "Carpool Loop"). For the safety of students and the flow of cars, do not stop the flow of traffic by dropping off students at the gate near the trailers. Also, do not drop students off in the bus line, in front of the building, or on Pleasant Valley Drive, only use the Carpool Loop.
- Please pull ALL THE WAY forward in the circular drive to the first blue square painted on the sidewalk, instead of stopping directly in front of the doors. Parents who are behind the first car in line should pull ALL THE WAY up to the car in front of them. This will allow the maximum number of cars to pull in behind you. Please drive up to the curb instead of dropping the child off in the driveway.
- Please drive away as soon as your child exits the car – do not try to wave or talk to your child after they are out of your car.
- Please be courteous to the parents, students and staff directing the carpool line.

PARKING:

- If you are parking and walking your child into school, please park on the LEFT side of the parking lot and walk your child across. DO NOT cross at the carpool island.

LAW:

- ABSOLUTELY NO cell phone usage during carpool or in school zone (a ticketed offense).
- **AR STATE LAW:** All children younger than age 6 and weighting less than 60 lbs. must be in a car seat. All children between ages 6 and 15 must wear a seatbelt. Children under age 12 are safest in the back seat.
- All safety violations will be documented and turned in to the Safety & Security Department of the Little Rock School District.
