How we accomplish our goals:

Fulbright provides opportunities for parents and community members to support the foundation of the Little Rock School District's instructional programming through Reading Buddies, tutoring and mentoring. We will also compose and maintain a list of volunteer opportunities and solicit ideas for other types of volunteer efforts during orientation of parents throughout the school year. Parental instruction of how to incorporate developmentally appropriate learning activities and strategies at home are provided through our schools' Literacy and Math Nights as well as other parent-specific trainings (e.g. Homework Help, HAC access, Myon training, etc.). Teachers and Building administration will provide professional development designed to enhance their understanding of effective parent and family engagement strategies and the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation.

Fulbright school staff, parents, and students incorporate the use of a school-parent-student compact, which is distributed during our annual check-in/registration. This compact agreement outlines how parents, school staff, and students share the responsibility for improving student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high academic standards. A copy of the compact agreement is kept in each student's permanent record and re-visited annually.

Fulbright provides its parents with an opportunity to be involved in the development, implementation and evaluation of the school wide improvement plan by sharing the school's academic plan and highlighting how we can do more to become a better place for learning during our annual parent workshop. Our PTA fosters parental and community involvement within the school through varying efforts such as the quarterly "Reading is Fundamental (RIF)" and "Accelerated Reading (AR)" award ceremonies.

Fulbright provides resources for parents and students and affords them an opportunity to work with and/or communicate their concerns through the school's Parent Facilitator. A suggestion/comment box for parents is conveniently located in the school's Parent Center, which is located on the lower level of the building across from the Kindergarten pods. In the Parent Center, parents and care takers, as well as community visitors may check out materials (e.g. Parenting books and magazines); select from a large variety of free parent related brochures, pamphlets and resources; and use the computer to check grades or visit educational websites during school hours (8:00am-2:00pm). Informational family packets are created annually and distributed to parents. The packet includes a copy of the school's parent and family engagement plan, survey for volunteer interests, recommended roles for parents/ teachers/students and school, suggestions of ways parents can become involved in their child's education, parent and family engagement activities planned for the current school year and information about the system that will be used to allow parents and teachers to communicate (notes, phone calls, e-mail). The school's handbook outlines the process for resolving parental concerns, including how to define a problem, whom to approach first, and how to develop solutions. The LRSD handbook is also a valuable resource that is reviewed with students throughout the year and made available to parents.

Fulbright kindly asks that parents and guardians consider completing a parent interest survey prior to the end of the school year. The survey will enable parents to evaluate the activities and events that their child/family participated in throughout the year and give them an opportunity to submit honest feedback about the ones that were most beneficial in supporting their child(s) academic and social growth. The results of the parent interest survey will be used to plan the parent and family engagement activities for the upcoming school year.

Fulbright engages teachers, parents and school staff in the annual evaluation of its parent and family engagement efforts using a comprehensive needs assessment questionnaire. The parent and family engagement committee, made up of teachers, parents and school staff determine the effectiveness of the parent and family engagement plan and make changes if warranted. While collecting evidence about the satisfaction of previous decisions made by the parent and family engagement committee, the school's efforts to increase parent and family engagement will be a part of the evaluation, the survey will also collect specific information on the (1) growth in the number of parents participating in workshops and meetings; (2) specific needs of parents; (3) effectiveness of specific strategies; and (4) engagement of parents in activities to support student academic and personal growth.

Fulbright will host their annual Title 1 Meeting on September 6th at 5:30 p.m. Fulbright will provide ample time to discuss a description/explanation of school curriculum, information on forms of academic assessments used to measure student progress and information on proficiency level students are expected to meet. The agenda, the sign-in sheet and the minutes for this meeting must be generated separately from any other events and kept on file in the school's office. Contact person: Sherkeyer Jackson, Principal, 447-4700.

As the Fulbright administration, faculty and staff strive to make this the best school year ever, we challenge all parents to plug in and be a part of our Fabulous Fulbright Family! Together we can ignite a spark in our students that will help them burn bright! We thank you in advance for your continued support and participation.

Fulbright Elementary is a proud member of **John Hopkins University National Network of Partnership Schools** (NNPS). The NNPS School, Family and Community Partnership model is designed to enhance parent and community participation and involvement in the school. The model is researched based and incorporates six types of involvement: Parenting, Communicating, Volunteering, Student Learning, Decision-Making and Collaborating with the Community. To support the six types of parent and family engagement Fulbright Elementary School collaborates with the LRSD Westside NNPS School Cluster Team to make parent and family engagement a priority.
